

Chinnor Village Hall Bouncy Castle Policy

Bouncy Castle Policy

Hirers of Chinnor Village Hall wishing to hire a Bouncy Castle for entertainment at their event should be aware of the following: -

The Health and Safety Executive (HSE) requires that inflatable operators are competent and trained

The company should supply the following information in its advertisements.

'Their bouncy castle company adheres to the safety requirements of the HSE directives and complies with BS EN 14960:2013'. ie that safety checks PIPA ADIPS are adhered to.

The operator must supply written safety operating instructions to the hirer for monitoring of: -

- user limits
- the number of users,
- age groups
- behaviour

The setting up of the amenity is the responsibility of the supplier's firm's operator.

Chinnor Village Hall are not responsible for any damage which may occur to the inflatable whilst on the premises and in use

Chinnor Village Hall are not responsible for participants injuring themselves while using the inflatable

.
